OUR EVENTS

TOWN HALL

We meet during the third week in September for a closer look at our new community partners and hear about their project's progress, as well as what's new in their organization. Q&A session follows the presentations. It's also the time for the 'State of Impact Address' from our President.

LUNCHEON

Held in November, this is a time of camaraderie and impact. We have a delicious lunch and a guest speaker enlightens us with her story. This is the last event before our membership drive closes for the year so plan to bring a guest who wants to join us.

ATTEND AS OUR GUEST

We encourage our members to invite women who are interested in joining, to any of our events. If you don't know a current member, email our membership team and they will be happy to include you. Membership@ImpactCentralIllinois.org

BEYOND GIVING

In March we offer an evening of community engagement where you can mingle with fellow members while enjoying a glass of wine & charcuterie. We invite an esteemed local city expert to delve into the rich tapestry of Peoria's culture, sharing insights about our beloved city.

ANNUAL MEETING

This is our big celebration each year and the culmination of our grant cycle. We vote and award grants for projects/programs from local nonprofits. The meeting is held the first week of June and is an exciting night that is highly anticipated by all our members.
