Safe Families
for Children

PEORIA/BLOOMINGTON

ONE OF MANY CHURCH
OUTREACHES/PRESENTATIONS!

WE HAD THE
OPPORTUNITY TO BE
PART OF LOCAL
MINISTRY FAIRS!

We were gifted the Impact Central IL grant in June 2023. We are so grateful that it gave us the opportunity to hire a church engagement coordinator. She has been an incredible blessing to Safe Families since she began in October 2023. With her help, we

- Onboarded 41 volunteers to support families in crisis.
- Gained partnerships with 6 churches, who are encouraging their attendees to serve in their community!
- Hosted two live trainings, training local volunteers to serve with Safe Families.
- Built stronger, relational connections with our current volunteer base and maintained a high retention rate of volunteers.
- Honored local pastors for all the ways they serve their churches.
- Worked to connect local volunteers with one another to build a stronger community.

THANK YOU IMPACT CENTRAL IL! We are so grateful for your support!!
